BOCA GRANDE FAILS AGAIN

FLYING FOOTSTEPS BEATS FIZER COLT IN SPRINT AT MONCREIF.

Selling Platers of Cheaper Sort Provide Ordinary Racing, but Favorites at Short Odds Are Successful.

Jacksonville, Fla., April 12.—If was an ordinary card that was decided at Moncreif Park this afternoon. The fields were made up of the poorer class of horses and tame contests resulted. The only close finish of the afternoon came with the running of the final race, won by Quagga, which beat Fore Guard a neck at the end of a long and hard stretch drive. Favorites won four of the races, but three of them were at odds of less than 1 to 2. Ganz piloted three winners. This lad is much the best rider left here, and all of his mounts came in for strong public support.

One of the biggest disappointments of the day was the defeat of Boca Grande, the colt that had been touted here all spring as a high-class racer. He was beaten a length by Flying Footsteps, which made all of her own pace and won with something to spare. An excuse was offered for Boca Grande's defeat, just as upon the occasion of a poor showing in a previous race. Jockey Jackson was accused of waiting too long with him, but the general idea is that it is doubtful if Boca Grande would have finished in the money had he been permitted to have gone along with Flying Footsteps during the first half nile.

Jockey J. Howard returned this morning from Texas, where he has been spending a few weeks with his parents. Howard will leave for Lexington at the close of the local meeting. He has been engaged to ride the horses of Woodford Clay at Lexington, He will later report to F. J. Pons at Toronto and will ride during the summer for that gentleman.

A special train comprising twent, one cars will depart for Lexington and Louisville on Monday next. Mose Goldblatt and C. H. Knebelkamp will ship to Lexington Thursday and the division of the stable that F. J. Pons will race at Aqueduct will leave for New York tomorrow.

of clubs is the same it is clear that the duration of the racing periods must be curtailed. That much was decided last year, as was also the avoidance of conflicting dates. It will be remembered that the opening of Montreal in the spring occurred on the same day as the closing at Woodbine. Instead of this being repeated, it will be sought to so allot dates that there will be a few days interval between the closing at one place and the opening at another. With the length of the meetings fixed at about eight days, which is being advocated, it will be quite possible to carry out such a program.

OAKLAND HAS CHANGED TRACK CONDITIONS.

San Francisco, Cal., April 12.—Fine weather favored the racing at Oakland today, but the track was somewhat heavy owing to rain Sunday and yesterday. The track conditions brought about the defeat of Chester Krum, an odds-on favorite in the third race. The going favored Inclement and, leading all the way, he beat Chester Krum half a length. Raicigh, none too well handled, was third. Bubbling Water, a heavily-supported first choice, trailed her company to the stretch in the Ukiah Handicap, then rushed past the leaders to win easily from Fern L. with Jim Gaffney third. Likely Dieudonne quit badly after being prominent in the early running.

running.

Abigail K. was favorite for the two-year-old race but could not overtake Wiltrude S. Servicence, starting in the colors of a new owner, proved a disappointment in the second, Lena Lech beating him easily. Lord of the Forest came back after his victory of Saturday and won from Madeline Muserave and Dr. Dougherty. The apprentice rider, Bevan, was of little assistance to Good Ship in this race.

grave and Dr. Dougherty. The apprentice rider. Bevan, was of little assistance to Good Ship in this race.

The stewards have not concluded their investigation into the recent race of Goldfinn. It developed that the mare was interfered with and thrown against the rail at the three-quarters post. T. Rice, rider of Orelio, admitted that he was responsible. Goldfinn will run again tomorrow. Jockey Gross will not leave for New York until after the investigation is finished.

William Carroll left this evening for New York with twelve two-year-olds that will carry the colors of George W. Berry.

H. M. Mason plans to go east shortly, and a partnership existing between him and William Cahill is about to de dissolved. As a result Argonaut, llex and Sweet Basil will be offered at auction in the Oakland paddeck Saturday.

At the election held in the city of Emeryville yesterday the regular ticket won by an overwhelming majority. The opposition was known as the Citizens and Taxpayers' Party and was for a wide-open policy. The "one fight a year" idea and "no gambling" made the town too tame, according to its ideas. At the last minute candidates were pitted against the trustees who were running for re-election. The race track forces won out by a vote of about 4 to 1.

COLONEL WINN RETURNS FROM THE EAST.

Prominent Racing Official Makes Cheering Predic tion on New York Legislative Situation.

Louisville, Ky., April 12.—Col. M. J. Winn, general manager of the New Louisville Jockey Club, has returned here after several days' absence in New York, where he had been looking after the general improvement of the Empire City track, of which he is manager. He says that this track, with the addition of greund and the new paddock, jockeys' room, entrance, walks, etc., will be one of the finest on the metropolitan circuit.

Commenting upon the outlook for racing in New York he said: "The situation in New York is not discouraging to horsemen. Sane judgment will prevail and the sport will thrive there as heretofore." The statement enanating from Galveston to the effect that the Mexican racing concessions no longer exist is ridiculous. The Juarez Jockey Club, which is managed by Colonel Winn, has an irrevocable concession, which extends for twenty years. It was granted by the governor of Chihuahua and approved by the Mexican Congress. Upon his arrival in Louisville, Colonel Winn found waiting him documents sent from El Paso and Juarez officials expressing their pleasure over the successful inauguration of the Juarez winter race meeting and assuring him of their hearty co-operation in the future operation of the plant.

Jockey T. Rice, who is under contract to John Ferriss, has notified the latter that he will report in Lexington on April 30. Rice is now at Oakland. He will pilot the horses of Ed Alvey this year, as the Louisville owner has turned his charges over to Ferriss.

Among the foals at James R. Keene's Castleton Stud are four fillies, the equal of which were probably never before foaled on a Kentucky breeding estate. Two are by the \$116.450 winner, Peter Pan, and the other pair are respectively by Voter and Ben Brush. The representative of the last-named is a brown filly out of Dazzling, by St. Leonards. The one by the sire of Ballot is a chestnut filly out of Pope Joan, by Disguise, while the one by Peter Pan is a brown filly out of Surefoot, a half-sister to Hamburg, by St. Simon, and the other is a black filly, out of Maid of Erin, by Amphion. The last-named is a half-sister to the sensational Celt.

old, Glorio, by Galveston—Cleodora, has been pointed for this race and will carry 122 pounds if he starts. George Odom has practically made up his mind to send his four-year-old filly, Trance, to the post, as she has recovered from the ailment which threw her out of training last spring and is showing all of her old-time speed in work-outs. The daughter of Ben Brush—Fair Vision must pick up 115 pounds and McGee, Mr. Odom's new jockey, will have the mount. The Montpelior Stable's representative may be either Beaucoup or Falcada, both having come to land rapidly at Belmont Park. Beaucoun has been assigned 109 pounds and, if he goes, Creevy will be in the saddle.

R. F. Carman thinks Magazine has an outside chance. This horse arrived from Florida ready for racing two weeks ago and is said to have figuratively burned up the track in his trials. His imposi is 109 pounds, and Fain, the regular stable jockey, will ride. Trainer Blakeley may start Arasee, which raced in California last winter and is on edge. The son of Blues will carry 108 pounds with Glass as his pilot.

The Newcastle Stable's Wise Mason, 106 pounds, may be ready to face the barrier, but his trainer. Tom Welsh, is said to be convinced that R. F. Little's three-year-old, Prince Imperial, can do better. In either case, Guy Garner, who is expected to ride well this season, will have the mount. If James R. Keene sends a horse to the post his colors will be carried by the three-year-old, Gras-

JAMESTOWN HAS INCLEMENT DAY.

Norfolk, Va., April 12.—Racing under leaden skies was the order at the Jamestown Jockey Club's course this afternoon. Overceais and wraps were in demand for protection against the cold blast blowing through the grandstand. Rain which fell during the early morning hours did not greatly affect the going. Racing Bell was the only favorite to score. Xebec carried the colors of Lewis Garth to victory in the steeplechase at the remunerative odds of 5 to 1. Dr. Heard, the odds-on favorite, was the recipient of a slovenly ride on the part of Heider. Good News, also from the stable of young Mr. Garth, cantured the opening race for two-year-olds, thanks to Reid's superior riding ability. Mayweed, which finished second, was best and, in fact, Doris Ward, which finished third, should also have beaten the winner. "Snapper" Garrison's Aunt Kate captured the slx-furlongs dash that came fourth on the card in handy fashion. Racing Fell had things all her own way in the second. Dona H., well ridden by Steinhardt, captured the closing race after a hard stretch battle with Benlala.

RACING GOSSIP FROM THE EAST.

New York, April 12.—James Rowe, who has not been hurrying the smartest youngsters of James R. Keene's stable this spring, had some of the stars out at Sheepshead Bay Sunday to test their speed. Some of them worked quarters in 23½ and 24 without trouble. Caudidate, a son of Voter and Minteake and a half-brother to Wild Mint, seemed to have more speed than any of the others, but Lord Rochester, a son of Disguise and Hampton Belle: Katonah, a son of Disguise and Swiftfoot, were there with the speed. Another youngster that moved impressively was Iron Mask, a son of Disguise and Royal Rose. The Disguise olts in the Keene stable this year are a more masculine lot than most of helr predecessors and the clockers predict that they will cut a big figure in juvenile racing.

John Hynes has transferred his string from Gravesend to Aqueduct. The consignment included Ben Loyal, Black Chief, Imitator, Projectile, Golden Agnes, Ugo and Ethel Le Brume. Most of his herses are ready to race, especially Ben Loyal and Imitator, which have put in several good works during the past ten days.

Homer Selby has arrivéd at Gravesend from Jacksonville with six horses. Mr. Selby has two promise ing juveniles in Kentucky Rose and Fair Lillian.

ALENCON KNOCKS DOWN CITY OFFICIAL

Pensacola, Fla., April 12.—As the horses were finishing in the feurth race, L. C. Aymard, city clerk of Pensacola, was struck by Alencon, which at the time was fighting it out for third place with Lucky Mate. Fleming and Caltha had passed the finish in the order named. Mr. Aymard, in his excitement, thought that all the horses had finished and started to cross the track from the infield. He was struck squarely by Alencon and knocked unconscious, but escaped with a fractured nose and minor bruises. The accident cost Alencon third place.

There was again a noticeable decrease in attendance and frequent victories by the best-backed horses entailed the biggest loss that the association has sustained during the present term of racing, Glasner's successful riding was a feature.

Fred A. Middleton arrived today from New Orleans and departed tonight with Judge Lyles for Jackson-wille, where they will try to persuade the Southern Jockey Club officials to recognize the racing here, truey will also endeavor to induce horsemen to ship fifty or more racers to this point and will also try to obtain some additional riders.

SOMETHING OF THE LATE JOHN MORROW.

Nashville, Tenn., April 12.—Judge John Morrow, one of the best-known figures in sporting circles in the south, who died Sunday after a game figiat against the ravages of Bright's disease extending over several months, was 62 years of age. He was widely known as a racing judge. His career in this line began in Chicago about 1885. At meetings at Highland Park, Detroit, Chicago, Buffalo, Louisville and the Fort Erie and Windsor tracks in Canada, he was a familiar figure. He had charge of admissions for years at the Tennessee State Fair and at all meetings at the old Cumberland Park track here.

at all meetings at the out cumberiant rank there.

He was prominent in the baseball world, having been one of the first presidents of the Southern League and for a number of years president of the Nashville baseball club. Judge Morow never married and is survived by five brothers and sisters.

Green B. Morris' noted race horse, Judge Morrow, which won the Brooklyn Handicap of 1802, was named for him. He was a strong partisan and would go the limit for a friend. He was the moving sofrit in the crection of the Carter Memorial at Mount Olivet Cemetery in this city to the memory of a noted turfman.

W. Frankfort, Ky. (1) The decision is correct. The backer has his option of naming the entry, and if he chooses to name a single horse it is at his own risk. (2) In bookmaking but three horses, first, second and third, can win for their backers. Yet if your idea of the field in pari-mutuels was to be put into effect you might condemn a bookmaker abroad doing business on a track where the betting is in mutuels to pay separately on a dozen or more winners of a single race. You overlook the fact that in the mutuels the horses bunched in the field are sold as a single horse,
